# FOODHUB
FOR BUSINESS

Foodhub Pocketpay mini

- Smartly powered by Android 10, offering a modern interface that's fast, reliable, and user-friendly.

- 4-inch responsive touch display designed for smooth control and crystal-clear transaction details.

- Integrated camera and barcode scanner to scan items or QR codes with lightning precision.

- Efficient 32-bit RISC processor ensures quick, secure, and consistent payment performance.

- Ultra-light build at 170g, ideal for handheld use and on-the-go transactions.

- Durable 2599mAh replaceable battery keeps your device running strong through long service shifts.
